Garden Colours

Johnstone's Woodcare Garden Colours is a fade resisting, smooth and rich coloured paint for exterior wood. The easy to apply formulation provides a beautiful layer of long lasting colour, without losing the natural grain of the wood. It will colour and protect most types of garden furniture including sheds, fences, arbours, summer houses, trellis, tables and chairs.

- 4 years protection
- Low odour
- Quick drying
- Harmless to plants & animals when dry
- Long lasting colour
- On-trend colours
- Easy to apply
- Wax enriched

TIP
Apply thin, even coats of your chosen garden colours, if you're aiming for a bolder colour, additional coats may be required.

use on:
SHEDS, FENCES AND ALL OTHER EXTERIOR ROUGH SAWN TIMBER

TIP
Johnstone's garden colours is perfect for covering old coatings or for refreshing grey and weathered surfaces.

21 COLOURS AVAILABLE

AVAILABLE IN 1L & 2.5L

one coat
SHED & FENCE

Johnstone's One Coat Shed & Fence has been specially formulated to provide long lasting colour and protection to all rough sawn timber, such as sheds, fences and trellis'. It is water repellent and protects wood from the sun's ultra violet rays. It is also harmless to plants and animals when dry.

- 3 year protection
- Quick drying
- Long lasting colour
- Protects against UV rays
- Harmless to plants & animals when dry
- Wax enriched
- Easy to apply
- Low odour
- Resists fading

Forest Green

for the GARDEN

use on:
SHEDS, FENCES AND ALL OTHER
EXTERIOR ROUGH SAWN TIMBER

TIP
Pick a dry, sunny day to paint your fence, and don't apply in temperatures below 10°C.

Red Cedar

5 COLOURS AVAILABLE

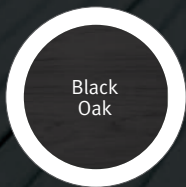

AVAILABLE IN 5L & 9L

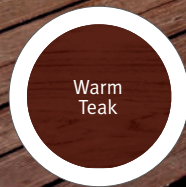

stain for DECKING

Johnstone's Woodcare Stain for Decking provides an easy maintenance protective finish that resists cracking, blistering and peeling. The quick drying wax provides long lasting colour and protection to all soft and hardwood decking, enhancing the woods natural beauty and resulting in an all year round beautiful finish for up to 3 years protection.

- 3 years protection
- Quick drying
- Long lasting colour
- Water repellent
- Protects against UV rays
- Easy to apply
- Low odour
- Anti mould and fungus growth

Black Oak

Warm Teak

Golden Chestnut

TIP
Wash the wood with a wood cleaner, allowing two days for it to dry, then sand splintered areas down.

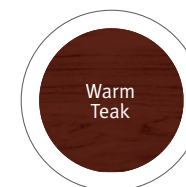

5 COLOURS AVAILABLE

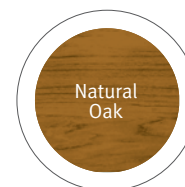

TIP
Before applying the stain, the surface needs to be clean and free of algae, moss, dirt and splinters – lack of preparation will affect results.

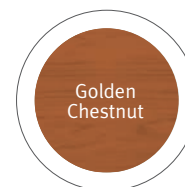

use on:
EXTERIOR DECKING

Warm Teak

Natural Oak

Golden Chestnut

Shaded Grey

Black Oak

AVAILABLE IN 2.5 L

indoor & outdoor WOODSTAIN

Johnstone's Indoor & Outdoor Woodstain is suitable for use on doors, windows, cladding and other interior or exterior hard and soft woods. It is formulated to give a durable, semi-transparent finish that allows the natural grain to show through whilst resisting peeling and flaking.

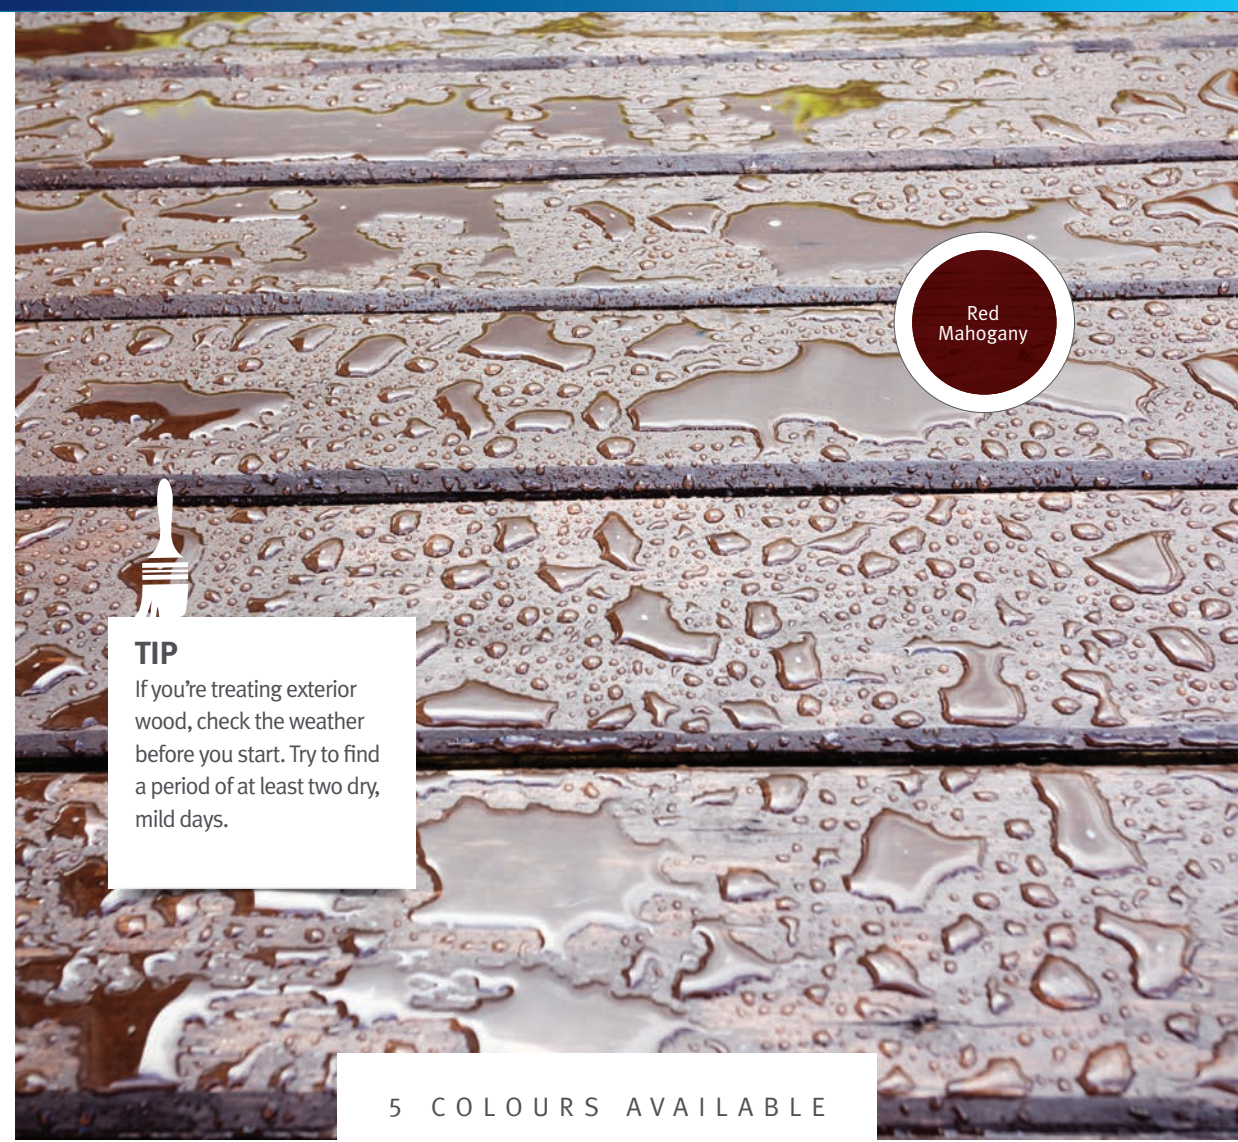

- 5 years protection
- Quick drying
- Easy to apply
- Low odour
- Resists cracking, blistering & peeling
- Showerproof in 1 hour
- Helps prevent UV damage

Natural Oak

use on:
DOORS, WINDOWS, CLADDING
AND OTHER INTERIOR AND EXTERIOR
WOOD SURFACES

Red Mahogany

TIP
If you're treating exterior wood, check the weather before you start. Try to find a period of at least two dry, mild days.

5 COLOURS AVAILABLE

Natural Oak

Antique Pine

Red Mahogany

Dark Rosewood

Country Walnut

AVAILABLE IN 250ML, 750ML & 2.5L

outdoor yacht VARNISH

Johnstone's Outdoor Yacht Varnish is a tough, marine quality high gloss varnish originally developed for marine use on boats and yachts and is suitable for all exterior woodwork. Can be used on bare, previously stained or varnished wood providing a hardwearing shield against the elements with a high gloss finish.

- Hardwearing
- Tough & durable
- Resists cracking and peeling
- Flexes with the natural movement of the wood
- High gloss finish

use on:

EXTERIOR DOORS AND WINDOWS, BOATS,
YACHTS AND OTHER EXTERIOR
WOOD SURFACES

AVAILABLE IN 250ML & 750ML

TIP

To avoid scratching the timber, use a less coarse sandpaper and run along with the grain.

indoor wood VARNISH

Johnstone's Interior Varnish has been specially formulated to give a hard wearing and non yellowing finish that dries quicker and with less odour than traditional solvent based varnishes. It's tough and durable, provides easy to apply, scratch resisting protection, and enhances the natural beauty of the wood.

- Hardwearing
- Quick drying
- Non-yellowing
- Tough & durable
- Easy to apply
- Low odour

use on:
INTERIOR DOORS AND WINDOWS,
STAIRCASES AND OTHER INTERIOR
WOOD SURFACES

TIP
For best results, work the varnish along the grain and avoid overlapping the brush strokes.

7 FINISHES AVAILABLE

AVAILABLE IN 250ML, 750ML & 2.5L

varnish for FLOORS

Johnstone's Varnish for Floors is a specially formulated water based varnish for use on all interior timber floors. It provides a hard wearing durable finish that enhances the original features of your flooring.

- Hardwearing
- Quick drying
- Non-yellowing
- Tough & durable
- Scratch & abrasion resisting
- Easy to apply
- Low odour

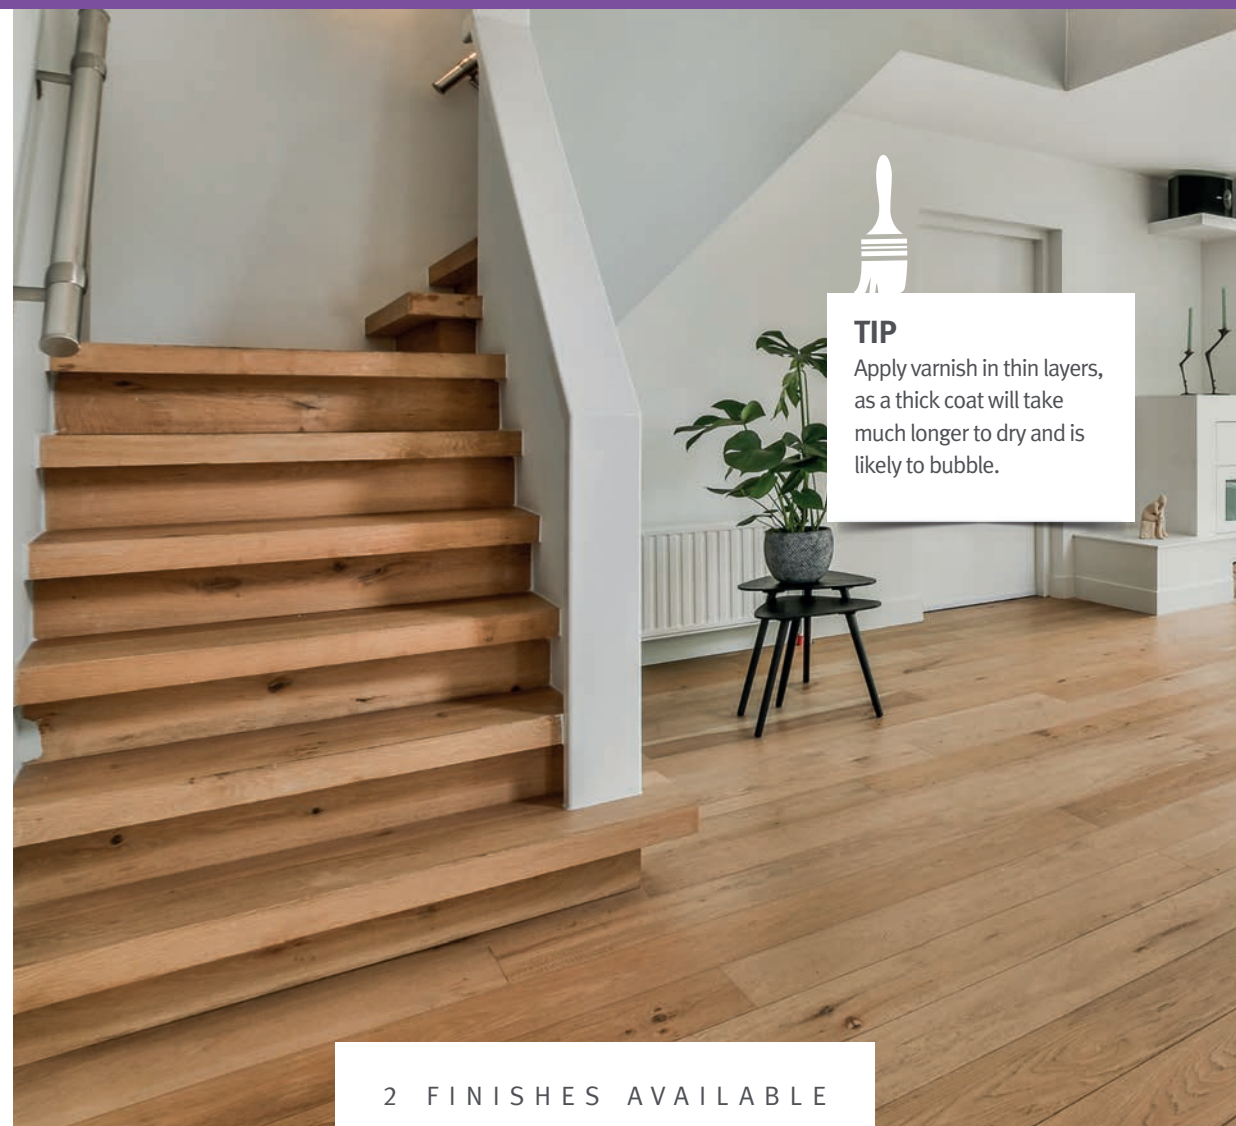

TIP

Before getting started, be sure to prepare your floorboards by sanding away old varnish to reveal bare wood.

Always remember to sand in the direction of the wood grain to avoid scratches.

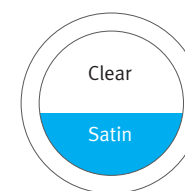

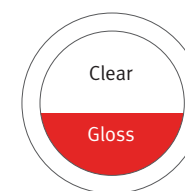

use on:
INDOOR WOODEN FLOORS

TIP

Apply varnish in thin layers, as a thick coat will take much longer to dry and is likely to bubble.

2 FINISHES AVAILABLE

AVAILABLE IN 2.5 L

OILS

Wood oils can act as a protective finish for wood that repels water. Oils can penetrate deep into the wood to nourish the wood and retain its natural oils. They can also enhance the natural grain of wood and can provide a subtle sheen finish to woodwork.

TIP

For best results use a brush or a lint-free cloth to apply oils. Ensure you clean any equipment thoroughly after use.

RAW LINSEED OIL

Johnstone's Raw Linseed Oil is a traditional reviving wood treatment to rejuvenate and nourish wood that is also used as a lubricant for French polishing. It is suitable for all wood types and is popular with wood enthusiasts for specialist applications.

use on:

OAK BEAMS,
SAWHORSES,
CHOPPING BLOCKS
AND CRICKET BATS

- Traditional treatment
- Nourishes and protects
- Water repellent
- Easy to apply

AVAILABLE IN
500 ML

BOILED LINSEED OIL

Johnstone's Boiled Linseed Oil is a special blend of Linseed Oil treated to cure faster than Raw Linseed oil. It's suitable for reviving all tired interior and exterior woodwork penetrating deep to put back the natural sheen and provide a protective finish.

use on:

INTERIOR & EXTERIOR:
WOODEN FURNITURE,
FLOORS AND
COUNTER TOPS

- Reduced drying time
- Nourishes and protects
- Water repellent
- Easy to apply

AVAILABLE IN
500 ML

TEAK OIL

Johnstone's Woodcare Teak Oil is a special blend to be used on unpolished wood surfaces to put back a natural sheen. It is suitable for use both indoors and outdoors, where natural oils have been removed by weathering or everyday wear and tear.

use on:

TEAK FURNITURE AND
OTHER INTERIOR AND
EXTERIOR UNPOLISHED
WOOD SURFACES

- Natural finish
- Nourishes and protects
- Water repellent

Also available in a
handy spray bottle

AVAILABLE IN
500 ML
